About the Smooth Operator
Straightener System!

Smooth Operator Straightener

- Keep some curl, make it wavy or go all the way straight. Re-touchable too!
- Achieve smooth, straight hair with no flat ironing!
- Easy-care maintenance from the first day!

Smooth Operator Support Products

- Specifically created for chemically straightened hair, but is beneficial for relaxed, wavy or naturally straight hair too
- Contains Silk Protein, Natural Avocado Oil and hydrating Soy Lecithin to help strengthen, smooth and nourish hair – all while keeping hair manageable, shiny and frizz-free!
